

NEW ADMINISTRATOR FOR MARINA PROCLAIMED

President GMA proclaimed recently the new Administrator for the Maritime Industry Authority named Usec. Ma. Elena “Len” H. Bautista of the Department of Transportation and Communication (DOTC).

Administrator Len Bautista became known in MARINA for her handling of the retrieval of the MV Princess of the Star that sank a couple of miles off the coast of Romblon. Acting as OIC of MARINA on October 2008, Admin. Len Bautista revamped MARINA’s personnel to streamline and improve its services in all fronts.

MARINA is the flag administration for the Philippines that handles all concerns of domestic shipping including the registry of vessels, shipbuilding and seafarer documentation. Beginning November 2008, Admin. Len Bautista sped up processing the seaman’s book. Today, MARINA gets a higher satisfaction ratings from seafarers.

Good news: SEAMAN’S book processing is now possible in 1-day!

Thank you MARINA...Seafarers will love you more...
